Michelle,

I agree it can wait.  Thanks,

David

Hi Laura.

I figured that was the case.  I think it can wait.

Jennifer & David – Correct?

Thank you,

We're swamped with Gold King Mine response.  Is this time sensitive or can it wait?

Hi Laura and Lisa.

David Cobb just sent me a R7 Press Release announcing upcoming RRP inspections. Among other things, I like the content they have for those who are doing their own renovations; getting your home/childcare tested; and abatement.

Perhaps we could use some of this material in ours?

Take care,
-m
